

Interested in Saving Money? Join the Extended Comfort Club Today!

Having your ductless system tuned up and professionally cleaned by Command Comfort on a regular schedule is your best bet for prolonged performance & maintaining low utility bills.

What is an Extended Comfort Agreement?

This is a customized program in which necessary maintenance is scheduled and performed by a Certified Service Technician. We will come to your home on a regular schedule to thoroughly inspect the entire system. Our exclusive 21-point tune-up covers inspecting equipment, basic coil cleanings, maintenance of drain lines, tightening high voltage electrical connections and more.

What are the benefits of being a Club Member?

The mechanical equipment that cools & heats your home may not seem exciting, but it is critical to your well being. As a club member you will receive the following...

- ✓ 1 Performance Tune-Up per year of membership
- ✓ A **discount** up to **20%** on all service repairs
- ✓ A **discount** up to **10%** on new ductless system installations (at any property owned by you)
- ✓ Priority scheduling and NEVER any overtime charges
- ✓ Improved indoor air quality as a result of a cleaner system
- ✓ Owning a ECA will satisfy the maintenance requirements for all warranties

You can't lose with our Extended Satisfaction Guarantee!

If you are not completely satisfied with our people, our performance or anything to do with our company, you may cancel at any time and we will refund 100% of your money!

Why should I sign up?

Just as your car runs more efficiently and reliably after a good tune-up, your Ductless Mini-Split system does as well. You save money while we maintain your home's comfort system, which reduces the chance of a crisis when you least expect it.

What is that peace of mind worth to you?

Agreements available for less than \$14 per month!
